-  **CLEAN:** Product ingredients that are made with a minimal to zero carbon footprint and are as naturally derived as possible. Additionally, this product shies away from or does not contain any of the "villain ingredients" per Beauty Heroes' villain list.
-  **GREEN:** Product that is packaged, branded, and distributed with minimal carbon footprint, and non-toxic materials. The product packaging is also as sustainably sound as possible.
-  **BEST IN SHOW:** Brands who exhibited at IBE and whose products were selected as best in class by a panel of industry experts.

Introducing a new resource for beauty entrepreneurs.
